The Delay in Releasing the 2nd Quarterly Report in 2022
Of Sihanoukville Autonomous Port

Sihanoukville Autonomous Port (PAS) would like to inform investors and the public that PAS's 2nd Quarterly Report in 2022 will be extended to August 29th, 2022 due to the changes and variations on some assumptions from Actuarial Company on the calculation of employee benefits according to International Accounting Standard (IAS19), a recalculation is required. Meanwhile, an independent auditor needs more time to review on recalculation of employee benefits. Thus, the report of the 2nd Quarterly 2022 will be delayed.

Therefore, investors and the public please kindly note and understanding as mention above.
